(D.Fields & A.Schwartz)

I must try to make the man love me
Make the man love me now
By and by I will make the man happy
I know how
He must see how badly I want him
Want him just as he is
And may I say that sure the man ask me
I'll be his
Can I tell the man
Just how dearly blessed we would be
All the beauty I see so clearly
Oh, why can't he?
So I pray to heaven above me
Pray until day grows dim
For a way to make the man love me
As I love him
For a way to make the make love me
As I love him...
