(M.Leonard & H.Martin)

My Pa can light my room at night
With just his being near
And make a fearful dream all right
By grinning ear to ear
My Pa can do most anything
He sets his mind to do
He'd even move a mountain
If he really wanted to
My Pa can sweeten up a day
That clouds and rain make grey
And tell me funny stories
That will chase the clouds away
My Pa's the only one on Earth
I can tell my troubles to
His arms are house and home to me
His face a pretty poem to me
My Pa's the finest friend I ever knew
I only wish that you
Could know him too...
