When I walked
through the doors
I sensed his presence
and i knew
this was a place
where love abounds
for this is a temple
the god we love abides here
oh we are standing
in his presence
on holy ground
we are standing
on holy ground
and i know,
i know there are angels
all around
let us praise,
praise god now
praise him anyhow
for we are standing
in his sweet presence
on holy ground
in his presence
I know there is joy
beyond all measure
and at his feet
sweet peace of mind
can still be found
ooooh...
for when we have a need
he is still the answer
oh reach out and claim it
for we are standing
on holy ground
are we standing,
yes its holy, holy ground
and i know
there are angels
i can feel em all around
let us praise
let us praise
praise god now

praise him anyhow
for we
we are standing
in his presence
on holy, holy ground
let us praise
let us praise him now
praise him anyhow
for we are standing
in his presence
ooohh...
in his holy wonderful presence
he loves us in our hour of sorrow
he's our hope, our hope for tomorrow
we are standing in his presence
in holy ground
holy ground
