Some day my prince will come
Some day I'll find my love
And how thrilling that moment will be
When the prince of my dreams comes to me

He'll whisper "I love you"
And steal a kiss or two
Though he's far away
I'll find my love some day
Some day when my dreams come true

Some day I'll find my love
Someone to call my own
And I'll know him the moment we meet
For my heart will start skipping a beat
Some day we'll say and do
Things we've been longing to
Though he's far away I'll find my love some day
Some day when my dreams come true.

somewhere waiting for me
there is someone I'm longing to see
someone I simply can't help but adore
someone who'll thrill me forever

someday my prince will come
someday I will find the one
though he's far away
he'll find my love someday
someday when my dreams come true
oh please make my dreams come true
