Never last  
M. Radice  
It's three in the morning  
You're nowhere in sight  
And all that I wanted was  
To be with you  
Tonight  
I've watched love get closer  
And then fade away  
I've seen you believe in me  
I've seen you trying to stay  
But what good is holding on  
When you know  
That all you can think about  
Is letting go  
They say if you love someone  
Then set them free  
If they come back again  
Then in the end  
It was meant to be  
I thought we were lovers  
I thought we were friends  
I guess when reality  
Steps in  
The dreaming ends  
We live for the future  
We learn from the past  
No matter how hard we try  
Some good things never last  
All you can think about  
Is letting go  
Be true to yourself my love  
That's all I ever wanted you to be  
Just don't forget to smile  
When you think of me  
I'll reach for the stars  
I have got them in sight  
There's someone who really needs me  
Out there in the night  
We'll live for the future  
We'll learn from the past  
No matter how hard we try

Some good things never last  
Why can't they last?
