Speak to me of love
And say what I'm longing to hear
Tender words of love
Repeat them again
I implore you speak to me of love and
Whisper these words to me, dear
I adore you,
I want to hear, to hear those words that are so dear,
I want to hear you say I love you
By all the little stars above you
Your voice is like a fond caress
It thrills me till I must confess
I long to hear the words that brings me
Such thrilling love and happiness
Parle moi d'amour
Redites moi ces mots supremes
Je vous aime...
