Baby I can fly like a bird
When you touch me with your eyes
Flying through the sky
I've never felt the same
But I am not a bird and I am not a plane
I'm superman
When you love me it's easy
I can do almost anything
Watch me turn around, one wing up and one wing
down
I never thought I could fall in love for good
I'm superman
When you love me it's easy
My sweet life has just begun
I'm in love this time
And I know I have it
Fell into my life so I grabbed it
There's nothing I can do
When I'm with you
I'm superman
Cause I'm with you
It's easy
My sweet life has just begun
I'm in love this time
And I know I have it
Fell into my life so I grabbed it
There's nothing I can do
Cause I'm with you
I'm superman
