Aren't you glad it's finally over?
Don't you feel a whole lot better?
Isn't it a joy to lie alone at night?

Aren't people more exciting
Doesn't music have more meaning
Don't you close your eyes
The moment you close the light

To be rid of all the feeling
How it cluttered up the morning
To be free of all the memories
Every one

Take a bow then take another
Isn't loneliness a winner?
Wasn't leaving me
The best thing you've ever done

To be rid of all the feeling
How it cluttered up the morning
To be free of all the memories
Every one

Take a bow then take another
Isn't loneliness a winner?
Wasn't leaving me
The best thing you've ever done
