The sunll come out tomorrow,  
Bet your bottom dollar that tomorrow therell be sun  
Just thinking about tomorrow  
Clears away the cobwebs and the sorrow till there's  
none  
When Im stuck with a day that's gray and lonely  
I just stick out my chin and grin and say...oh!  
The sunll come out tomorrow,  
So you got to hang on till tomorrow, came what may!  
Tomorrow, tomorrow, I love ya, tomorrow  
Youre always a day away...  
I just stick out my chin and grin and say  
The sunll come out tomorrow  
So you got to hang on till tomorrow, came what may!  
Tomorrow, tomorrow, I love ya, tomorrow  
Youre always a day away...  
Tomorrow, tomorrow, I love ya tomorrow  
Youre always a day away  
Dah dah dah...mmm...
