Here we are, just going through the motions one more
time

You're looking in my eyes but you don't see me
Here I am, feeling like a stranger in your arms
I touch you, I hold you, but lately I don't know you

Something is wrong but we go on from day-to-day
And we just pretend it all away
We act like nothing's changed
But in our hearts we know it's not the same

'Cause we're not makin' love anymore
Baby, we're not makin' love like before
We may hold each other tight, say that everything's all
right
But we're not makin' love

Remember when you couldn't wait to run into my arms
When the love inside my heart was all you needed
Remember when you made me wish the night would
never end
The fire, the thunder, we lived to love each other

If ever two hearts were one, then it was yours and mine
But that was another place in time
Now all we have to show
Are memories of a dream we used to know

'Cause we're not makin' love anymore
Baby, we're not makin' love like before
We may hold each other tight, say that everything's all
right
But we're not makin' love

When did we lose our way, we had it all
Don't know how it all just slipped away
But oh, can we get it back again
Is it too late? Can we try just one time? 'Cause darling

'Cause we're not makin' love anymore
Baby, we're not makin' love like before
We may hold each other tight, say that everything's all

right
But we're not makin'

We're not makin' love anymore
Baby, we're not makin' love like before
Can we find a way to try? Find the magic one more time
'Cause we're not makin' love

We're not makin'
We're not makin' love
We're not makin'
We're not makin' love
