"What Matters Most"

Visit "[What Matters Most](#)" on MotoLyrics.com

It's not how long we held each other's hand
What matters is how well we loved each other
It's not how far we travelled on our way
But what we found to say
It's not the springs we've seen, but all the shades of
green

It's not how long I held you in my arms
What matters is how sweet the years together
It's not how many summertimes we had to give to fall
The early morning smiles we wistfully recall
What matters most is that we loved at all.

It's not how many summertimes we had to give to fall
The laughter and the tears we gratefully recall
What matters most is that we loved at all.
