Wanting you the way I do  
I only want to be with you  
And I would go to the ends of the earth  
'Cause darling  
To me that's what you're worth  
Where you lead, I will follow  
Anywhere, that you tell me to  
If you need, need me to be with you  
I will follow where you lead  
If you're out on the road  
Feeling lonely and oh so cold  
All you gotta do is call my name  
And I'll be there on the next train  
Where you lead, I will follow  
Anywhere you tell me to  
If you need, need me to be with you  
I will follow where you lead  
I've always wanted a real home  
With flowers on the windowsill  
But if you want to live in New York City  
Honey, you know I will,  
Yes, I will  
Yes, I will  
I never thought I could get satisfaction  
From just one man  
If anyone can keep me happy  
Oh, you're the one who can  
I'm gonna follow where you lead me  
I'm gonna follow where you lead me  
Wanting you the way I do  
I only want to be with you  
And I would go to the ends of the earth  
'Cause darling, to me that's what you're worth  
Where you lead I will follow  
Anywhere...  
Anywhere you tell me to  
If you need, need me to be with you  
I will follow, oh, where you lead  
I'm gonna follow where you lead me  
I'm gonna follow where you lead me  
I'm gonna follow where you lead me  
I'm gonna follow where you lead me ...
