Nick is not in the audience for Fanny's opening night  
And she's worried but when he makes a late  
appearance at the party  
She's angry at him until he tells her that  
A hurricane has destroyed their casino and he's lost all  
her money

Fanny doesn't think it's that big a deal  
And this makes Nick angry  
Fanny doesn't understand why

Who are you now  
Now that you're mine?  
Are you something more  
Than you were before?

Are you warmer in the rain  
Are you stronger for my touch  
Am I giving too little  
By my lovin' you too much?

How is the view  
Sunny and green?  
How do you compare it to  
The views you've seen?

I know I am better, braver and surer too  
But you, are you now  
Who are you now?  
Are you someone better for my love?
