When you walk through a storm hold your head up high
And don't be afraid of the dark
At the end of the storm there's a golden sky
And the sweet silver song of a lark

Walk on through the wind
Walk on through the rain
Though your dreams be tossed and blown
Walk on, walk on

When you walk through the storm hold your head up
high
And don't be afraid of the dark
At the end of the storm there's a golden sky
And the sweet silver song of a lark

Walk on through the wind
Walk on through the rain
Though your dreams be tossed and blown
Walk on, walk on with hope, hope in your heart
And you'll never walk alone

You'll never walk alone
You'll never walk alone
