I finally found someone
That knocks me off my feet
I finally found the one
That makes me feel complete
It started over coffee
We started out as friends
It is funny how from simple things
The best things begin
This time is different
It is all because of you
It is better than it has ever been
Because we can talk it through
My favorite line
Was "Can I call you sometime?"
It is all you have to say
To take my breath away

This is it
Oh I finally found someone
Someone to share my life
I finally found the one
To be with every night
Because whatever I do
It is just got to be you
My life has just begun
I finally found someone

Did I keep you waiting?
I did not mind
I apologize
Baby that is fine
I will wait forever
Just to know you are mine
I love your hair
Are you sure it looks right?
I love what you wear
Isn't it too tight?
You are exceptional
I can't wait for the rest of my life

This is it
Oh I finally found someone

Someone to share my life
I finally found the one
To be with every night
'Cause whatever I do
It is just got to be you
My life has just begun
I finally found someone

And whatever I do
It just got to be you
My life has just begun
I finally found someone
