Mama don't ya worry
Bout a little time that we had
Baheh in a hurry
T'make our good thing last
Hey my brother stop telling me
About where I'm at and I'm supposed to be
So rap on

Maybe better move on
Down to try and coax her hack
And maybe she found another cat
And that ain't where it's at
Oh God woncha tell me what
I can say T'bring dat lady hack to stay

Lady woncha bring it on home
Your love after a while
Love don't be shy

Papa I'm a cryin
What more can I do
Mama I ain't lyin
If I lose her I am through
Hey my on I gotta get it together
A cable. gram or a word or a letter
Rap on

Mama is that the mailman
What's that cable say
Sonny she's a comin
Comin home to stay
Hey my brother gonna shout about it
Hey my mama gonna scream about it

Lady is a bringin on home
Her love after a while
She ain't gonna be shy
