All right
You've been hanging on someone every night
Did you think I really couldn't see
Or you really work the time it takes to fight
Do you think you mean that much to me?

You never heard me
Bleeding heart
You never see the tears I cry
Bleeding
You won't deserve me
But you keep me going round and round

I know all this by heart
You tore our world apart
I knew that from the start
My bleeding heart

I've been waiting for you with the lights turn on
Call you what you see what is on your mind
Nothing left for me I don't turn you on
I call you thear but you've out all the time

You never heard me
Bleeding heart
You never see the tears (bleeding) I cry
You won't deserve me
But you keep me going round and round

I know all this by heart
You tore our world apart
I knew that from the start
My bleeding heart
Leaving house (4x)

You never heard me
Bleeding heart
You never see the tears I cry
Bleeding heart
You won't deserve me
But you keep me going round and round

I know all this by heart
You tore our world apart
I knew that from the start
My bleeding heart
Leaving house (4x)
