(Cam'Ron)

I'm not going to watch this go on any longer  
You put my food in the dark  
and expect me to look for my plate on some Mr. Magoo  
shit  
Fuck I look like  
I'm not going to watch this go on any longer  
WHOOOOOOOOOOOO

(Clue)

we going to set this off

(Cam)

I'm on ya'll  
Harlem, who else is going to hold us down  
Bloodshed niggas  
lets get it right this time  
understand  
Killer

Yo, I don't understand how these cats sip daqueri's  
Like it's all good down at the hit factory  
Be on 54th, whole clique backing me  
all that click clackery takes your wrist wrappery  
I ain't no rapper, b, I skeet oozies  
And I can't act, turned down 3 movies  
So gimme your chain, your jewels and your cash  
And your fast food, I'll eat your food fast  
My rude ass, carries 3 weapons  
And I'll give your face a c-section and keep stepping  
Who else in a hurry to mirk  
We kill girls, rape em', bury their skirts  
imagine me wake up 7:30 for work (what?!)  
I'd rather run the streets 7:30 with work  
But met this knucklehead, thought he want a order  
Came and asked me stop pitching to his daughter  
Tell me it's the man, can't be  
Be glad I'm not in her damn panties  
Got her damn handy  
How you going to ever ask stop carrying candy  
I'm going to sell to anybody in your damn family

Your Uncle Tom, your Aunt Tammy, your Grandmammy  
Your right hand man Randy, understand me  
in Antlanta I got an outlandish land piece and a  
matching land  
Desert Calasandi

Chorus:

You know the one with the whips, THATS ME  
The one with the chips and the chips, THATS ME  
The one with the toast, pants saggy, yelling out get at  
me  
Get at me, nigga, THATS ME  
The one that be running and dodging, YOU  
The one that be sucking mad dick, YOU  
The one that's scared of some yay yo,  
always wanna lay low, cause your girl say so, YOU,  
biatch

(Cam)  
I could show you some ice  
Throw you a bite  
You not that good dog, who told you you're nice  
Ay, yo your crew, switch sidars  
When I come through, hey Cam  
Dick riders  
But I only mess with Navigators 528  
6 drivers, big buyers, where you live we live liver  
Come through, stick your suppliers  
Mack so many hoes, dick in siliva  
Gash her up, ma, put it on you mouth  
Then I grab her neck and try to take her tonsils out  
And I don't got beef, I don't play those games  
If I did though believe me I would say y'all names  
Go to your house, red dot scope your crib  
Smack your earth, snatch your seeds, choke your wiz  
My crew split it was my mistake  
But to my nigga Duke we all make mistakes  
I'm going to get shit right if I spend my cake  
Jimmy, I'm a get you up out of 5h  
This is for my niggas that load the pipe  
Saying I'm the best just not promoted right  
You know my life  
Drink, smoke, roll some dice  
Control the hiest  
Know I'm a patrol your schiest  
We all get schiest  
Ma, keep all your rice  
Wedding ring, HELL NO  
I like all my ice  
Niggas tried to make Killa Cam all polite

Turn on the set now bitch I'm like poltergiest  
You the type talk about everything you got now  
I interrupt you like "Not now you hot owl"  
My rings like a dog, all rock wild  
When I flash it, everybody shocked "wow!"  
I see y'all concerned about me  
you don't got to go to school to learn about me

Chorus:

Yo, the one with mad guns, THATS ME  
The one with the yay for 23, THATS ME  
The one with the ice, sliced, coke half price,  
yoke that's nice, THATS ME  
The one that's scared of a scuffle, YOU  
The one that say "Baby girl, I love you," YOU  
The one that talk about hustling, never seen a oven,  
you all about nothing, YOU Biatch

(Cam)
