Gretel said "I know what's in your head"
I vacuumed out my head
I know you're feeling bad
You fucking bitch you cunt hole bitch

I thought she meant it yeah
She really jacked my head
She went and done it yeah

Handsome Gretel
Handsome Gretel

My name is Gretel yeah
I've got a crotch that talks
And talks to all their cocks
It's been twelve city blocks you fucking bitch

Gretel said "Oh you feel so bad
I know you feel so bad"
I thought she meant it yeah

Handsome Gretel
Handsome Gretel yeah

I vacuumed out my head
Jumping from bed to bed
My name is Gretel
A soul of metal

My name is Gretel yeah
I've got a sloppy asshole
What?

Handsome Gretel
Handsome Gretel

Say violets hang around with toilets
And look smack at us
And symbolize everything that is disgust and mistrust

Licorice eyes, pin me down
Thighs, asphyxia

My thighs are vices yeah

He is a stupid man
I love him all I can, you fucking bitch
Addle girl

She pulls out all her curls
She is a stupid crotch
That's been twelve city blocks
