My own mind is mine to drive
In lanes that aren't allowed that's why I'm allowed in
circles around
'cause at the top of it all from where we are all
Black slant eyeholes stretchback bug skull beautiful
Devilgod lover telling me things to believe
Things I've known but cannot see
I am a stupid human bean
Big eyed and between what I am
And what I seem
I breathe
I dream
I lead
How long should we go
Before we're heard?
Herd them all together
Put them in a spell
You will do well
We'll let you know but not enough
Magnetic field of vision
Raises eyebrow questions
What is the admission
Psychic audition to cover all specialized flights
Come up and meet us this will please us
I breathe
I dream
I lead
Mind is the wall of time
A lonely throne to own
