Memory hide and seek  
Halloween men or me, yeah

You decide what's on the mind  
Comin' in from the other side

Look what you done to me  
Following following  
Look what you done to me  
Shadowing shallowing  
Yeah, the other side

I knew you first  
I loved you first  
I am the first, yeah

Ahh, yeah  
Pokin' naked Ruthie with a sharp-end stick shit  
I am mean

Memory hide and seek  
Halloween you know me, yeah

You decide what's the mind  
Comin' in from the other side

Look what you done to me  
Following following  
Look what you done to me  
Shadowing shallowing  
Yeah, the other side

I knew you first  
I loved you first  
I am your curse, yeah  
Yeah, yeah

You decide what's the mind  
Comin' in from the other side

Look what you done to me  
Following following

Look what you done to me  
Shadowing shallowing  
Yeah, the other side
