Little Pearl she was this girl  
Thoughts and notions in a whirl  
This girl Pearl she was pretty quick  
Found a stick, filled it thick with

Black sugar shit

Ole black glasses, spoonful molasses  
Drinking wine, killing time  
Burn it black with a candle, all bent at the handle  
Devil spit makes me sick

Black sugar shit

She's had a name, her name's insane  
Little maid picks away at her brain  
To much disdain, her brain remained  
To think thoughts all axe and mame and

Black sugar shit

Right, right

Black sugar, right

Wine, right

Off with their heads 'cause I'm staying in bed  
Sick of the blackbird that shrieks in my head

Black sugar shit  
Is shit
