Grandmas patch stole a hen party chicken
Scratch see how your garden grows
Get a thread and amend us both please
Well this I know

Grandmas girl is coming down
To steal violets from your crown
Glue them to her wrist
You have to spit to see the shine

Grandmas girl is coming down
To steal violets from your crown
Glue them to her wrist
Hey Jak, Cath-O-Lik Black
Stab them in the back Jak

You're so serious
You're a writer you better write quick
'Cause your papers on fire
Take a lathe and scrape all the glitter
Off my blue glitter angel
