I live inside  
All invited inside  
Eyes flutter feathers  
My hairs fair like weather  
I've blown my recovery  
Living is nice  
When you're spun like a kite  
Sugar and tea and cream  
Looks like the sea is green with rivalry  
Now that I know just what you're all about  
I want out  
I live inside  
All invited inside  
Sugar and tea and cream  
Looks like the sea is green with rivalry  
Now that I know just what you're all about  
I want out  
Life is real when you're dreaming  
Life's a dream when you're reeling  
Now I want out
