We are family, I've got all my sisters with me
We are family, get up everybody and sing
We are family, I've got all my sisters with me
We are family, get up everybody and sing

Everyone can see we're together as we walk on by
And we fly just like birds of a feather, I won't tell no lie
All, all of the people around us

They say, can they be that close?
Just let me state for the record
We're giving love in a family dose

We are family, I've got all my sisters with me
We are family, get up everybody and sing
We are family, I've got all my sisters with me
We are family, get up everybody and sing

Living life is fun and we've just begun
To get our share of this world's delights
High, high hopes we have for the future
And our goal's in sight

We, no, we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong, oh no, this is our family jewel

We are family, I've got all my sisters with me
We are family, get up everybody and sing
We are family, I've got all my sisters with me
We are family, get up everybody and sing

We are family, I've got all my sisters with me
We are family, get up everybody and sing
We are family, I've got all my sisters with me
We are family, get up everybody and sing

We are family, I've got all my sisters with me
We are family, get up everybody and sing
We are family, I've got all my sisters with me
We are family, get up everybody and sing

We are family, I've got all my sisters with me
