"Alive"

Show me where your secrets hide
I was told they live inside
The tears in your eyes
Do you walk on empty streets
With no one there to guide your feet
Don't you realize
There's not a place that you can hide

chorus:

Its never perfect when you're near me
No idea whats deep inside
But the way you live each moment
Makes me feel alive

I was sure you would begin
To open up and let me in
Behind your loney eyes
I feel we're running out of time
I have to get inside your mind
To see through your disguise
There's not a place that you can hide

chorus

Yeah, yeah, oh
