If I could be you
I'd see right through
Tomorrow, I'd change my ways
I hear you speaking, tell everything
Yesterday
I thought you, you were my friend

Turn it up, put the pressure on real slow
Blow it up, I'm dismissing your ego
Turn it up, put the pressure on real slow
Blow it up, I'm dismissing your ego

What if I've been through
And came to say
No vision
I'd change today
You heard me stealing, kept my feelings
And words I say
Left to you, when you were my friend

Turn it up, put the pressure on real slow
Blow it up, I'm dismissing your ego
Turn it up, put the pressure on real slow
Blow it up, I'm dismissing your ego

So put the pressure on real slow
And I'm dismissing your ego

Turn it up, put the pressure on real slow

Blow it up, I'm dismissing your ego
Turn it up, put the pressure on real slow
Blow it up, I'm dismissing your ego
Turn it up, put the pressure on real slow
Blow it up, I'm dismissing your ego
