Stop with your messin around
You'd better think of your future
It's time you straighten right out
Creating problems in town

Ru-deee
A message to you, ru-deee
A message to you, ru-deee
A message to you, ru-deee

Stop with your messin around
You'd better think of your future
It's time you straighten right out
Or else you'll wind up in jail

Ru-deee
A message to you, ru-deee
A message to you, ru-deee
A message to you, ru-deee (that's right, that's right,
that's right)
A message to you, ru-deee (that's right, that's right)
A message to you, ru-deee (oh, that's right, that's
right, that's right)

A message to you, ru-deee (stop with your messin
around)
A message to you, ru-deee (you'd better think of your
future)
A message to you, ru-deee (it's time you straighten
right out)
A message to you, ru-deee (creating problems in town,
that's right)
A message to you, ru-deee (that's right, that's right)
A message to you, ru-deee (that's right, that's right)
A message to you, ru-deee (that's right, that's right)
A message to you, ru-deee (that's right, that's right)
A message to you, ru-deee

Ha ha ha ha ha! I had to do the stupid laugh at the end,
didn't i?
Didn't i? get outta here!
