Alcohol, my permanent accessory  
Alcohol, a party time necessity  
Alcohol, alternative to feelin' like yourself  
O alcohol, I still drink to your health

I love you more than I did the week before  
I discovered alcohol  
(Just wanna talk)

Forget the Cafe Latte, screw the raspberry iced tea  
A Malibu and Coke for you, a G 'n' T for me  
Alcohol, your songs resolve like my life never will  
When someone else is pickin' up the bill

I love you more than I did the week before  
I discovered alcohol  
O alcohol  
Would you please forgive me?  
For while I cannot love myself  
I'll use something else

I thought that alcohol  
Whao [Inaudible]  
Was just for those with nothing else to do  
[Inaudible]  
I thought that drinkin' just to get drunk  
[Whao Inaudible]  
Was a waste of precious booze  
[Inaudible]  
But now I know that there's a time  
[Inaudible]  
And there's a place where I can choose  
[Inaudible]  
To walk the fine line between  
[Inaudible]  
Self control and self abuse  
[Inaudible]

Go, go, go, go, go  
Go, go, go, go, go  
Go, go, go, go, go  
Go, go, go, go, go

Go, go, go, go, go  
Go, go, go, go, go  
Go, go, go, go, go  
Go, go, go, go, go  
Go, go, go, go, go  
Go, go, go

I love you more than I did the week before  
I discovered alcohol  
Would you please ignore that you  
Found me on the floor?  
Tryin' on your camisole?

O alcohol  
Would you please forgive me?  
For a while I cannot love myself  
I'll use something else

Would you please forgive me?  
Would you please forgive me?
