I'm having a bad day
There's nothing you can do or say
To help me through this bad day
I think I'll just stay in my room

They didn't need to say
That they didn't want to play
I could have guessed it anyway
And that's why I'm here in my room

Seems like I'm the only one
Who's not outside and having fun
I wish this day had never begun
I think I'll just stay in my room

Sometimes I wanna run and hide
Today I wanna stay inside
Tell my bike to take itself for a ride
I'm staying in today

See the toys lying on the floor
I don't want them anymore

I think I'll sell them back to the store
Or give them all away

It feels like I'm the only one
Who's not outside and having fun
I wish this day had never begun
I think I'll just stay in my room

I don't need hugs and I don't want food
I wanna stay here in this lonely mood
I don't care if people think I'm rude
I wish they would all go away

Dad comes in and tells me with a kiss
Everyone has days like this
Brought my dinner said that I was missed
I think I'll be okay

I know I'm not the only one

To stay inside and watch the fun
Thanks a lot that helped a ton
Tomorrow's gonna be a better day
