I never thought that you would  
Love me the way that you do  
I never thought that you would  
Love me half as much as I do.  
You say you want to know  
Everything about me - well here you go,  
But if you want it girl, you got it;  
It's all right here in my box set.  
I never thought that words like  
Product would ever leave my lips,  
But something happened to me  
Somewhere that made me lose my grip.  
Maybe it's the lack of inspiration  
That makes me stoop,  
Or maybe it's a lack of  
Remuneration; I can't recoup.  
But if you want it folks, you got it;  
It's all right here in my box set.  
Disc One  
It's where we've begun, it's all  
My greatest hits, and if you are a  
Fan then you know that you've  
Already got 'em.  
Disc Two  
It was all brand new, an album's  
Worth of songs, but we had to  
Leave the whole disc blank  
Because some other label  
Bought 'em.  
Disc Three  
This is really me in a grade  
School play; I had about a  
Hundred thousand lines, but of  
Course I forgot 'em.  
I never thought there'd be days like this,  
There was always someone at my door.  
I never thought I would ever miss  
And the crowds would always holler for more.  
But now it seems all that people  
Want is what I used to be  
And every time I try to do  
Something new, all they want is 1973.

I never thought I'd be regretful of  
All my past success  
But some stupid number one hit  
Single has got me in this mess.  
You can put it on every  
Compilation - that's alright.  
You can hear it on the oldies radio  
Station every night.  
And if you want it again, you got it  
- it's right here in my box set.

Disc Four

Never released before, and you  
Can tell why; it's just some demos  
I recorded in my basement.

Disc Five

I was barely alive, I was  
Coughing up a lung, so they had to  
Use a special computer as my  
Replacement.

Disc Six

A dance remix, so I can catch the  
Latest trend and it'll make you  
Scratch your head and wonder  
Where my taste went.  
So now my fans are crying sellout,  
They say I've lost my touch.  
They say I should just get the hell  
Out before I do too much.  
Hear my songs in an ad for a  
Bathroom cleanser - they say it's greed,  
And now I'm wondering where my  
Friends are in this time of need.  
But if you change your mind and  
Buy it, I hope you enjoy my new box.  
I hope you enjoy my new box, I  
Hope you enjoy  
My new box set.
