You and I were meant to be  
Even though you don't know me  
I don't even know your name  
And do you think that you know mine?  
You were lonely, I was bored  
May be more than you can afford  
But I'm sure we'll meet halfway

And I've got this crazy feeling  
You've been tryin' to get to me  
When all you have to do is calmly  
Call me  
Call me

Basic service, sixty bucks  
I'll deal the hand, you try your luck  
A pair gets meal, week and rent  
And a straight gets even more  
I'm no good at playin' cards  
I hold my dates in high regard  
Pay up front and you shall receive

Love is never in between  
If it isn't one thing  
Then it's always somethin' else  
I don't even know what I mean  
I thought that it was nothin'  
Now I can't find nothin' else  
Ohh, you can't hide  
At least you tried to

Call me  
Call me  
Call me  
Call me

You're ashamed of what you've done  
All we did was have some fun  
I won't judge and I won't tell  
And I'll forget you when you've gone  
I pity all you working stiffs  
Living wonderin', what if?

What if someday I was free?

And I've got this crazy feeling  
You've been tryin' to get to me  
But all you have to do is calmly  
Call me  
Call me  
Calmly  
Call me
