What's a boy to do?  
When you tell your tale and it never fails  
I just end up feeling bad for you

With your hang dog eyes  
You can bring me down  
Now I'm wrapped around your whole hand  
Stop looking so surprised

You make it easy  
(Easy)  
You make it easy  
(Easy)

I've been burned before  
You're not fooling me, there's no mystery  
You've forgotten what you're hiding for

Call it self-defense  
You can obfuscate and manipulate  
But it's only at your own expense

You make it easy  
(Easy)  
You make it easy  
(Easy)

You make it easy  
(Easy)  
You make it easy  
(Easy)

Easy to be with you, easy to obey  
Easy to forgive you at the end of the day  
Easy now to judge you, easy to betray  
Easy to adore you though you won't run away  
It's easy

Look what you have done  
I can do the same, two can play this game  
You'll no longer be the only one

You make it easy  
(Easy)  
You make it easy  
(Easy)

You make it easy  
(Easy)  
Easy  
(Easy)
