Look up in the sky  
They said on the radio station  
They're up quite high  
Flying in a V formation

Here come the geese  
Here come the geese

Now they're on the lawns  
The patios and ponds  
On the sidewalks  
On the rooftops

On the hillside  
On the playground slide  
In the shadows  
The parking lots, the meadows

The fences and ledges  
Benches and hedges  
In the schoolyard  
On the boulevard

In the high school halls  
In the shopping malls  
Watch under your feet  
They said on the radio station

Here come the geese  
Flying in a V formation

Here come the geese  
Flying in a V formation

Here come the geese  
Flying in a V formation  
Here come the geese  
(Here come the geese)  
Flying in a V formation

Here come the geese  
(Here come the geese)

Flying in a V formation  
Here come the geese  
(Here come the geese)  
Flying in a V formation

Here come the geese  
(Here come the geese)  
Flying in a V formation  
Here come the geese  
(Here come the geese)  
Flying in a V formation

Flying in a V formation  
Flying in a V formation  
Flying in a V formation  
Flying in a V formation  
Flying in a V formation
