Suddenly  
Things become unsound  
Stumbling  
On the shaky ground  
Given arrows to shoot tornados down  
Shoot them down  
To the ground

Saw a falling leaf  
Good luck - jump to grab  
Much to our surprise  
A butterfly  
And it's sunkeness  
In duration  
In duration  
In our lives

Inside ourselves  
A hidden sun  
That burns and burns  
Never does any harm to anyone

Shivering  
Madly in the dark

Like an animal  
Abandoned in the car park

Then she held me  
And then she showed me  
The beauty of  
The human heart

Inside ourselves  
A hidden sun  
That burns and burns  
Never does any harm to anyone

A hidden sun  
That burns and burns  
But never does any harm to anyone  
Anyone

Ooh anyone  
Hidden sun (sun)  
Hidden sun  
Ooh (sun)  
(sun)  
(sun)  
(sun)  
(sun)
