I----- think
It's getting to the point where I can be myself again
(I----- think)
It's getting to the point where we have almost made
amends
I----- think
It's the getting to the point that is the hardest part

And if you call, I will answer
And if you fall, I'll pick you up
And if you cause this disaster
I'll point you home
I'll point you home

You----- think
I only think about you when were both in the same room
(You----- think)
I'm only here to witness the remains of love exhumed
You----- think
We here to play the game of who loves more then who

And if you call, I will answer
And if you fall, I'll pick you up
And if you cause this disaster

You----- think
It's only fair to do what's best you and you alone
(You----- think)
It's only fair to do the same to me when your not home
I----- think
It's time to make this something that is more then only
fair

So if you call, I will answer
And if you fall, I'll pick you up
If you cause this disaster, I'll point you home

But I'm warning you, don't ever do
Those crazy messed up things that you do
If you ever do, I promise you
I'll be the first to crucify you

Now its time to prove that you've come back here
To rebel x11
