If I were you  
And I wish that I were you  
All the things I'd do, to make myself turn blue  
I suppose, I'd start by removin' all my clothes  
Tie my pantyhose around my neck

I'll be that girl, you would be right over  
If I were a field, you would be in clover  
If I were the sun, you would be in shadow  
If I had a gun, there'd be no tomorrow

If you will not have me as myself  
Perhaps as someone else  
Perhaps as you, I'll be worth noticin'  
Then even a eunuch won't resist  
The magic of a kiss, from such as me

I'll be that girl, you would be right over  
If I were a field, you would be in clover  
If I were the sun, you would be in shadow  
If I had a gun, there'd be no tomorrow

It's time to kick off your shoes  
Learn how to choose sadness  
It's time to throw off those chains  
Addle our brains with madness  
'Cause we've got plenty of time  
To grow old and die  
But when at last your beauty's faded  
You'll be glad that I have waited for you

When you're done  
With being beautiful and young  
When that course is run  
Then come to me

I'll be that girl, you would be right over  
If I were a field, you would be in clover  
If I were the sun, you would be in shadow  
If I had a gun, there'd be no tomorrow

There'd be no tomorrow

(La la la la la la)  
There'd be no tomorrow  
(La la la la la la)  
There'd be no tomorrow  
(La la la la la la)  
There'd be no tomorrow  
(La la la la la la la la la la)
