I'm in the drink for love  
An' I wanna drink your love  
Swimmin' a swim in the suds  
I wanna drink your  
Blood

Up like a rocket, down like the rain  
Back an' forth like a choo choo train  
I have a secret that just won't keep  
All I wanna do is brush your teeth

Butterfly kisses  
An' the taste of delicious  
I'd like to sip the sap from your tree  
And the honey in the tea  
Drippin' amber drips  
Patiently

I'm in the drink for love  
An' I wanna drink your love  
Squishin' toes in the mud  
I wanna drink your  
Blood

Caught a snowflake on my tongue  
A feathery crystal in the flavoury yum  
Dropping clouds, fallin' fast  
Are you going to try some while they last?

Once the birds have migrated  
Come spring, twitter painted  
Up the river, I journey on  
'Cause this salmon is ready to spawn  
And if you have some swimmin' lessons  
It would make it easier

I'm in the drink for love  
An' I wanna drink your love  
Swimmin' a swim in the suds  
I wanna drink your  
Blood

Swim, swim, swim
