Someone somewhere has unglued our epoxy, ahh
(Ahh)

Someone somewhere has unglued our epoxy
And now I'm kissing you by proxy
Hope you don't mind
Somewhere someone is dreamin' of me
Tries to love me, hope you don't mind

I love you
Intermittently
I love you
Intermittently

She's a lot like you but she don't look like you
Okay, she's not you
But she'll do fine
I put my life on hold to avoid confrontation
But should I tell you to your face and
Risk my hide?

Oh ohh ohh ho
I love you
Intermittently
I love you
Intermittently

When immeasurably
Turns to intermittently
There's no use in going on
Except for fear of being wrong
Every mornin' I just hit the ground yawnin', ohh hoo
(Ahh)
Stick around if you enjoy disaster
'Cause if you can't see what I'm after
You must be blind

Oh ohh ho
I love you
(Pa pa pi pa)
Intermittently
(Pa pa)

I love you
(Pa pa)
(Woo)
Intermittently

I love you
Intermittently
I love you, love you, love
Intermittently

Didn't have the heart to say goodbye
So I continued in my charlatan ways
Did I say heart?
I meant to say guts
So now, I'm on my own
And I'm sorry that you've gone
