I met you before the fall of Rome
And I begged you to let me take you home
You were wrong, I was right
You said goodbye, I said goodnight

It's all been done
It's all been done
It's all been done before

I knew you before the west was won
And I heard you say the past was much more fun
You go your way, I go mine
But I'll see you next time

It's all been done
It's all been done
It's all been done before

And if I put my fingers here
And if I say, I love you, dear
And if I play the same three chords
Will you just yawn and say

It's all been done
It's all been done
It's all been done before

Alone and bored on a thirtieth-century night
Will I see you on The Price Is Right?
Will I cry, will I smile
As you run down the aisle?

It's all been done
It's all been done
It's all been done before
