"Light Up My Room"

Visit "[Light Up My Room](#)" on MotoLyrics.com

A hydro field cuts through my neighborhood
Somehow that always just made me feel good
I can put a spare bulb in my hand
And light up my yard

Late at night when the wires in the walls
Sing in tune with the din of the falls
I'm conducting it all while I sleep
To light this whole town

If you question what I would do
To get over and be with you
Lift you up over everything
To light up my room

There's a shopping cart in the ravine
The foam on the creek is like pop and ice cream
A field full of tires is always on fire
To light my way home

There are luxuries we can't afford
But in our house we never get bored
'Cause we can dance to the radio station
That plays in our teeth

If you question what I would do
To get over and be with you
Lift you up over everything
To light up my room, my room

A hydro field cuts through my neighborhood
Somehow that always just made me feel good
I can put a spare bulb in my hand
And light up my yard
Light up my yard
Lights in my yard
(Aah)
Light up my yard
(Aah)
