Please don't go rushing by  
Stay and make my heart fly  
Please don't go rushing by  
Stay and make my heart fly

'Cos I never seem to know the time  
When you're with me  
You can tell it to the birds  
I'll tell the bees

Please don't go rushing by  
Stay and make my heart fly  
I can't do anymore  
To get inside your door  
I can't do anymore  
Please let me inside your door

'Cos I never seem to know the time  
When you're with me  
You can tell it to the birds  
I'll tell the bees

Please don't go rushing by  
Stay and make my heart fly  
Stay and make my heart fly  
Stay and make my heart fly
