(spoken) I'll set the metronome

What's so maybe about (x3)
Katie

What's so maybe about (x3)
Katie

What's the use in hesitating?
Can't you see that Katie's waiting?
Just because her youth is fading,
Doesn't mean she's not worth dating.

What's so maybe about (x3)
Katie

What's so maybe about (x3)
Katie

I don't know what the fuss is all about
Just take it slow.
It's not like you can't live without her
To and fro
If you've got a shred of doubt than its not worth it.

What's so maybe about (x3)
Katie

What's so maybe about (x3)
Katie

Can't you see her with her arms wide open?
She's everything that you've been hopin' for.
Forever's not so long stop mopin'
She's got a daughter and you're just not copin'

Do you know
Everyone you ever swore you'd love for life?
I don't know them anymore.
I know their names.
I'd recognize them on the street.

And I don't love them.

What's so maybe about (x3)
Katie

What's so maybe about (x3)
Katie

What's so maybe about (x3)
Katie

What's so maybe about (x3)
Katie.
