It was often talked about
It was often raised
But nothing was ever done about it
To hear the way they talked about it
No one could be saved
But nothing was ever done about it

Shall I take back
Everything I've ever said
And live my whole life
In silence instead?

It was oversimplified
It was under-thought
Nothing was ever done to stop it
Everything was fortified
By all the lies we bought
And nothing was ever done to stop it

Shall I take back
Everything I've ever said
And live my whole life
In silence instead?

Shall I take back
(Shall I take back all my attacks?)
Everything I've ever said
(All of my accusations)

And live my whole life
(All my mistrust, we never discussed)
In silence instead?
(Anyone's reservations)

There was a time when a crime was a crime
Now I think I'm losing my mind
Or taking it all too hard
Taking it all too hard
Taking it all too hard

Shall I take back all my attacks
All of my accusations?

All my mistrust, we never discussed
Anyone's reservations

Shall I take back
(Shall I take back all my attacks?)
Everything I've ever said
(All of my accusations)

And live my whole life
(All my mistrust, we never discussed)
In silence instead?
(Anyone's reservations)

Shall I take back
(Shall I take back all my attacks?)
Everything I've ever said
(All of my accusations)

And live my whole life
(All my mistrust, we never discussed)
In silence instead?
(Anyone's reservations)

Shall I take back
(Shall I take back all my attacks?)
(Maybe you're right, maybe you're right)
Everything I've ever said
(All of my accusations)
(Maybe you're right but I don't think so)

And live my whole life
(All my mistrust, we never discussed)
(Maybe you're right, maybe you're right)
In silence instead?
(Anyone's reservations)
(Maybe you're right but I don't think so)
