

Barenaked Ladies "Night Photographs"

Visit "[Night Photographs](#)" on MotoLyrics.com

At night I like to photograph, producing camera angles
And I don't have a flash
But my little notebook records the subjects at hand

In photo one, a flower
Photo two is a drunk and naked girl
In photo three is my dog in the backyard
Oh, each frame captures the various subtleties of black
Each frame captures the various subtleties of black
Subtleties of black
Subtleties of black

In photo one, a flower
Photo two is a drunk and naked girl
In photo three is my dog in the backyard
Oh, each frame captures the various subtleties of black

Each frame captures the various subtleties of black
Subtleties of black
