Just show me the venue
When Iâ€™m on the menu
Itâ€™s personalized
The life of the party
Iâ€™m like Billy Barty
But regular sized
I guess I should explain:
Your guests will go insane for me

â€™Cause Iâ€™m serving up quality
That canâ€™t be beat
If youâ€™re not down
Vote with your feet
My quality biology
Is enhanced with high technology

Over in England
Everything bent
But Iâ€™m satisfied
I hung with the stars there
You know they drive cars there
On the other side
They barely noticed me
You said youâ€™d go with me always

â€™Cause Iâ€™m serving up quality
That canâ€™t be beat
If youâ€™re not down
Vote with your feet
My quality biology
Inspired some Greek mythology

Itâ€™s all true (cross your heart and hope to die)
I swear to you (stick a needle in your eye)
And if youâ€™ve been misled
May some lightening strike me dead

Back in Japan they
Did not understand they
Sent me back here
Look at them now theyâ€™re
Rubbing my cow there

And feeling it beer
I may go back some day
They'll have a huge buffet for me

'Cause I'm serving up quality
That can't be beat
If you're not down
Vote with your feet
My quality neurology
Is studied in theology

It's quality
That can't be beat
If you're not down
Vote with your feet
My quality biology
Is enhanced with high technology
