I'm Steve, and I'm Ed,
And we're Barenaked Ladies
You're on a highway and roadrunner goes "Beep,
beep"
Just step aside or you might end up in a heap
Roadrunner roadrunner runs on the road all day
Even the coyote can't make him change his ways
Roadrunner, that coyote's after you
Roadrunner, if he catches you, you're through
That coyote's really a crazy clown
When will he learn that he never can hold you down?
Roadrunner roadrunner never bothers anyone
Runnin' down the road is his idea of havin' fun
Roadrunner, that coyote's after you
Roadrunner, if he catches you, you're through
Roadrunner, that coyote's after you
Roadrunner, if he catches you, you're through
If he catches you, you're through
If he catches you, you're through
