Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping

Well you know that it's going to be alright
When we go shopping
It's always la la la, shopping spree begin
La la la, everybody wins

So shut up
And never stop
Let's shop
Until' we drop

Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping

It's always la la la
Shopping never end
La la la, shopping with our friends
Shopping once again

It's always la la la
It's always la la la
It's always la la la
It's always la la la

It's never enough
Until' you've got all the stuff
When the going gets rough
Just shop with somebody tough

Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping

Well you know that it's going to be alright
I think it's gonna be alright

Everything will always be alright
When we go shopping

It's always la la la
When we go shopping
When we go shopping
When we go shopping

It's always la la la
It's always la la la
It's always la la la
