Made of Snow, I don't know how I fit in.
To and Fro, people go, I stand and grin.
Way to go, even though I can't begin.
Made of Snow, I don't know how I fit in.

Ever Cold, Love untold, I don't belong
Have and hold, so I'm told, I think they're wrong.
Heart of Gold, Growin' old, just like a song,
Ever Cold, love untold, I don't belong.

Button eyes, lullabies, I melt away
Criticized, Compromised, White turns to gray.
I'm paralyzed, otherwise, I'd leave today.
Button eyes, lullabies, I melt away.

Made of Snow, I don't know how I fit in.
Ever Cold, Love untold, I don't fit in.
Button Eyes, lullabies, I don't fit in.
Made of snow, I don't know how I fit in.
