I woke up this morning and everything was different
Something was strange in the air
I woke up this morning and everything was different
I knew that the Ninjas had been there.

I looked all around my bedroom, underneath the
dresser
Behind the bed, but nothing could be found
There was nothing left behind them, nowhere that I
could find them
No fingerprints or crumbs on the ground.

The Ninjas are deadly and silent
They're also unspeakably violent
They speak Japanese, they do whatever they please
And sometimes they vacation in Ireland.

The Ninjas are deadly and silent
They're also unspeakably violent
They speak Japanese, they do whatever they please
And if you tear off their masks they'll be smiling.
